

# SoftGrid® Light

## Available IES Files

### SoftGrid Lights 2ft IES 3500K

For use with Flux, Sine, Switch and Square

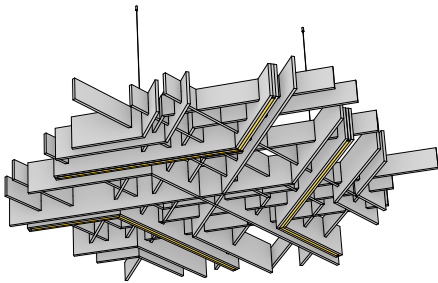

### SoftGrid Lights Wave 2ft IES 3500K

For use with Wave

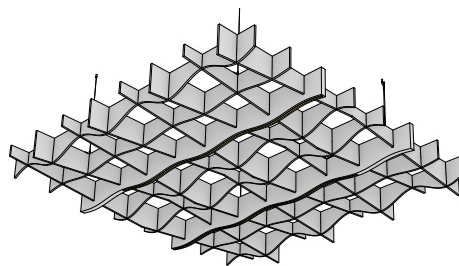

### SoftGrid Lights 1ft IES 3500K

For use with custom lengths and solutions.

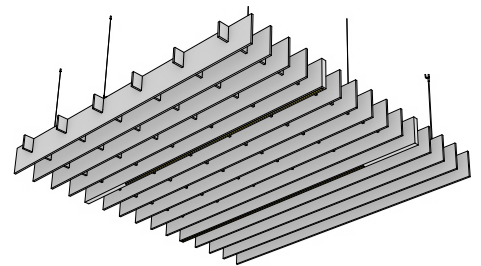

Can also be used with Flux, Sine, Switch and Square for a more detailed result.

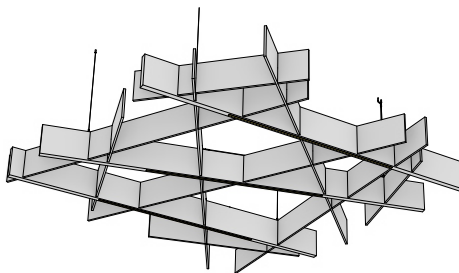

Flux

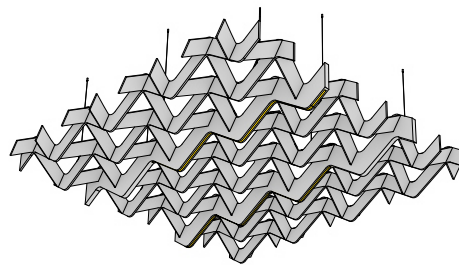

Sine

Square 6

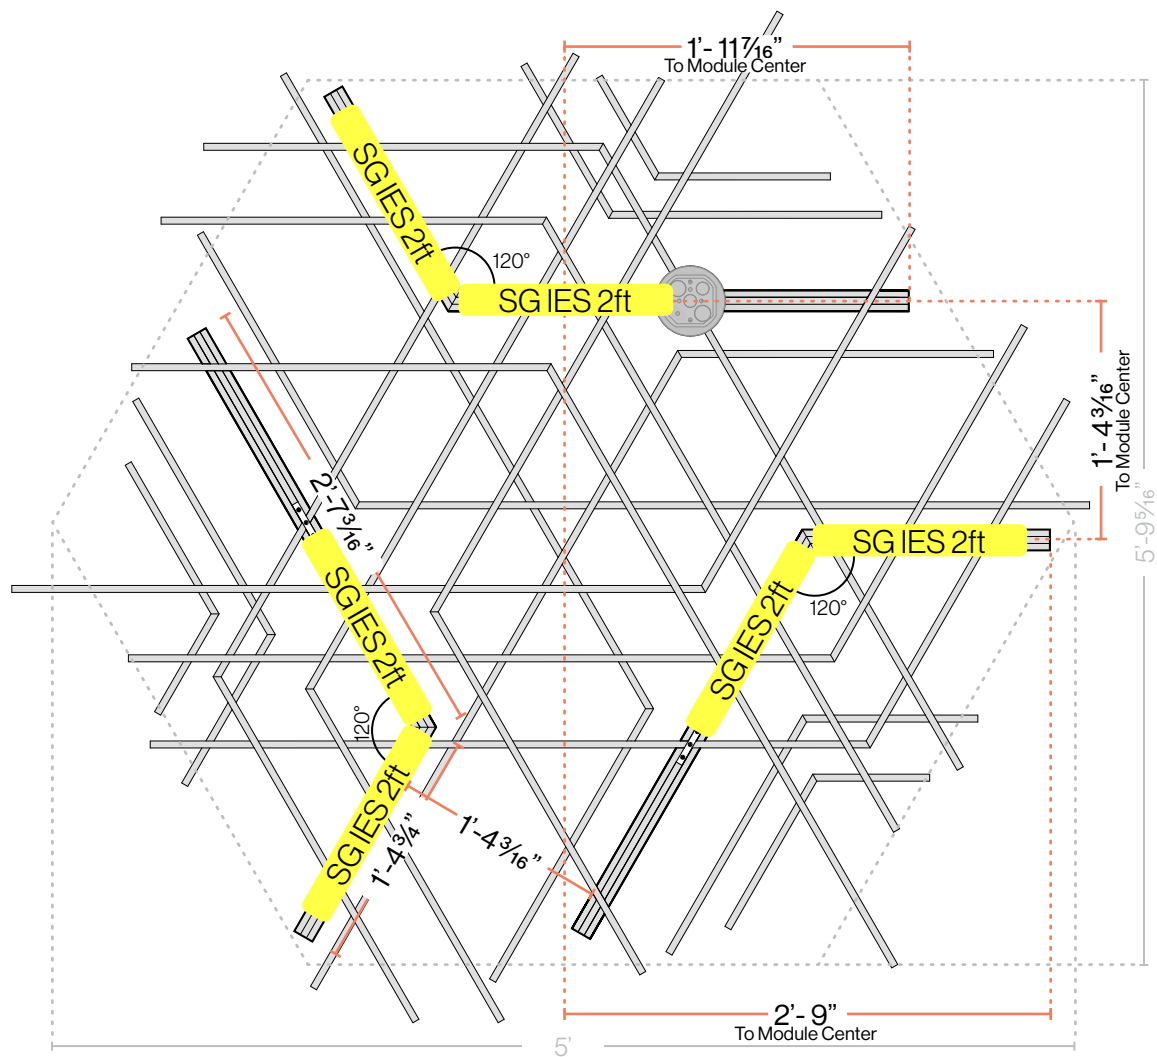

Switch

Wave

# SoftGrid® Light Flux

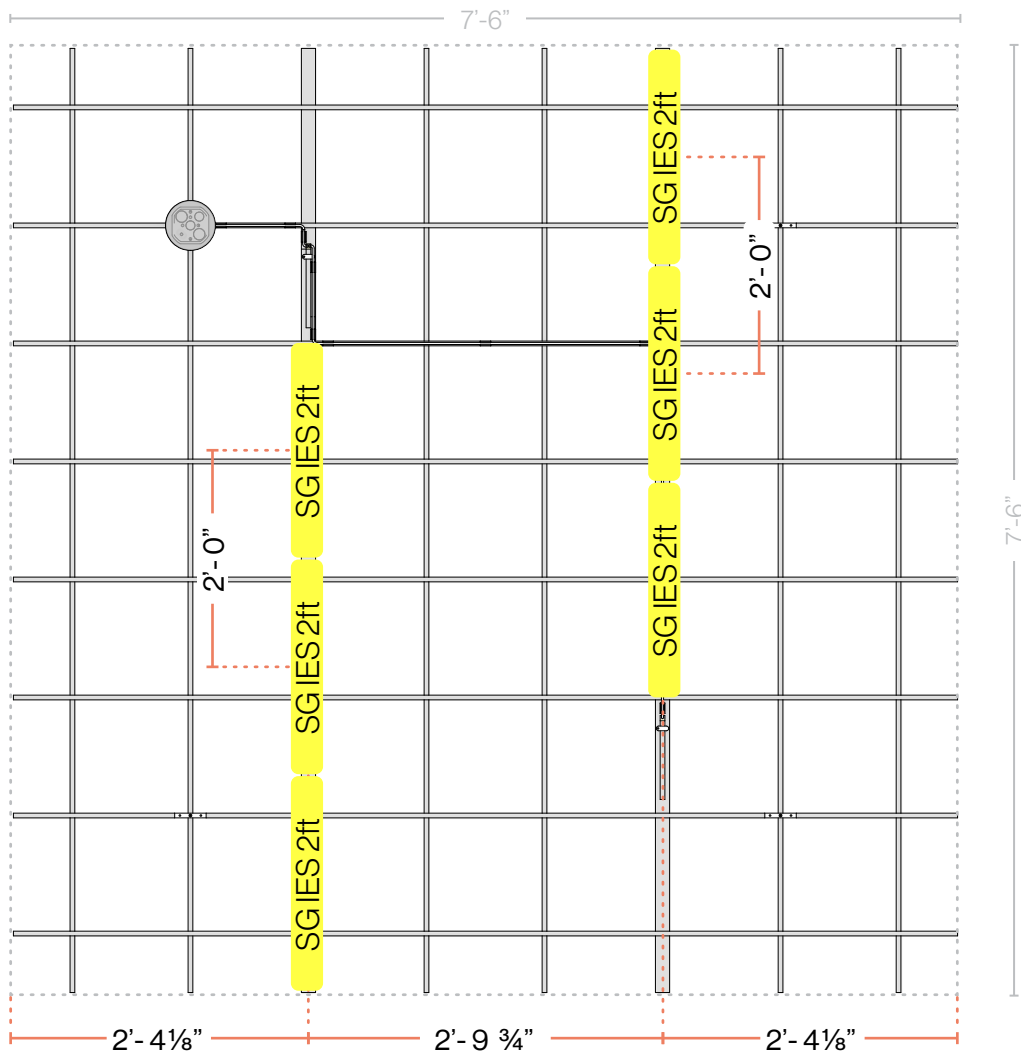

Flux consists of 3X 4ft Lit Baffles with a 60° corners, use 3X Pairs of Softgrid 2ft IES Files in the following arrangement.

# SoftGrid® Light

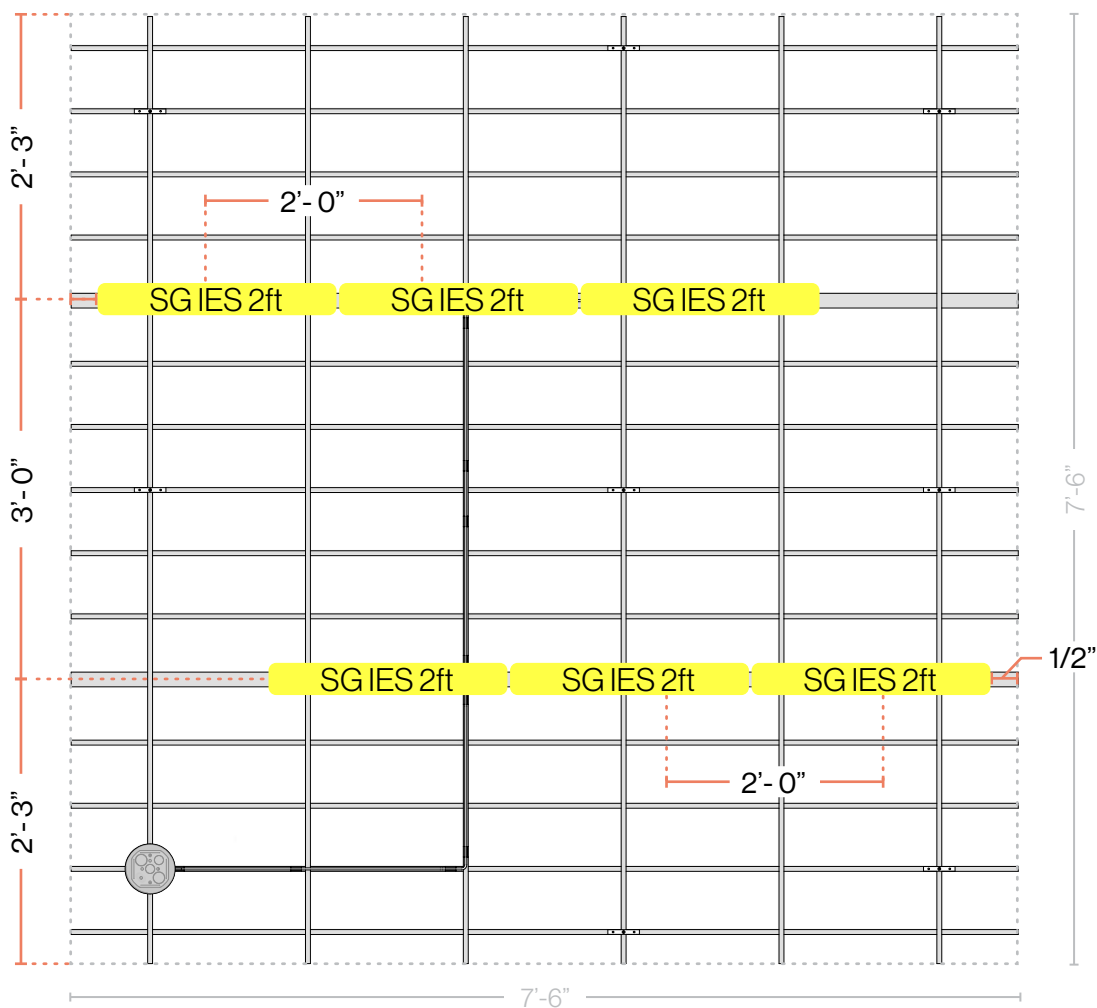

## Sine

Sine consists of 2X 6ft Lit Baffles, use Softgrid 2ft IES File 6X in the following arrangement.

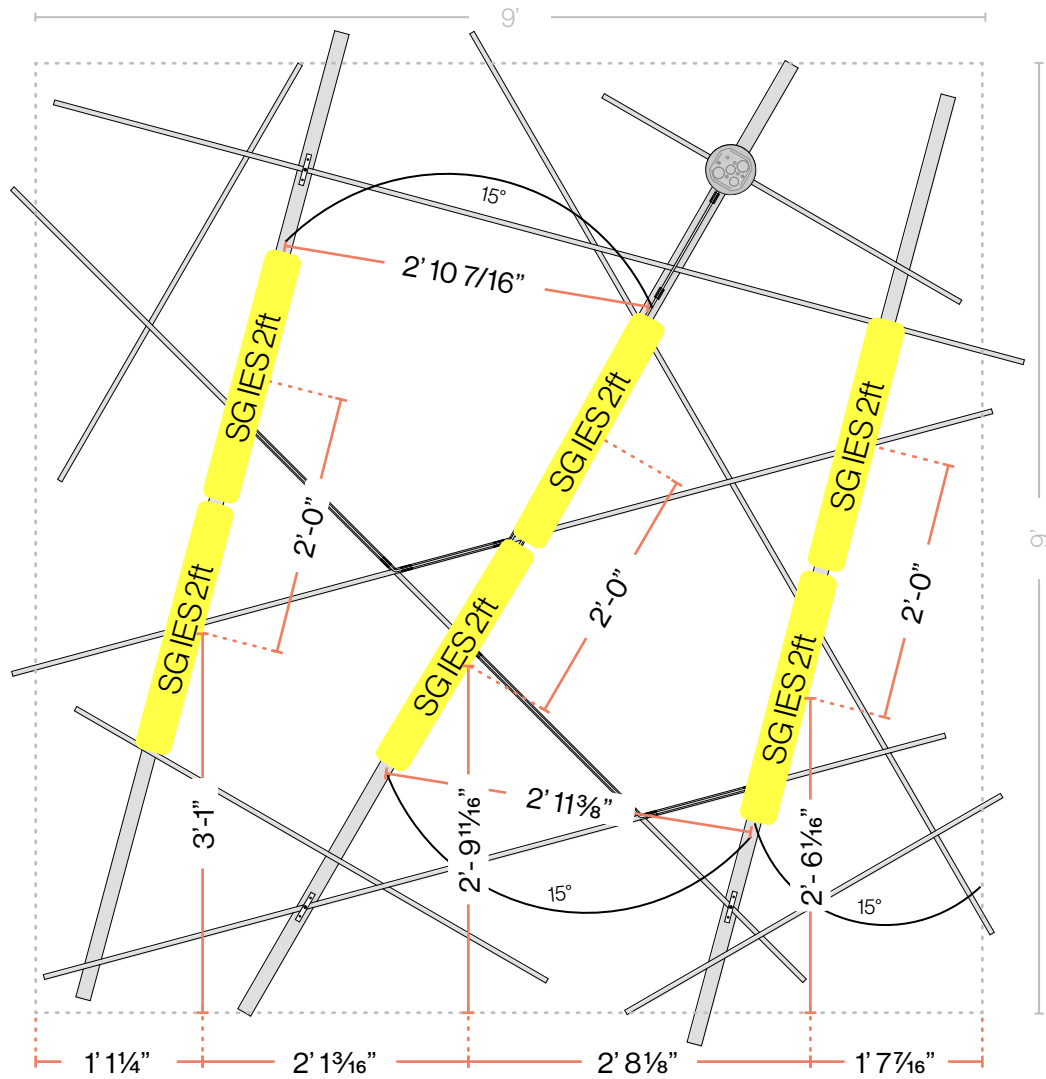

# SoftGrid® Light Square

Square consists of 2X 6ft Lit Baffles, use Softgrid 2ft IES File 6X in the following arrangement.

# SoftGrid® Light Switch

Switch consists of 3X 4ft Lit Baffles, use 3X Pairs of Softgrid 2ft IES Files in the following arrangement.

# SoftGrid® Light

## Wave

Wave consists of 2X 6ft Lit Baffles, use Softgrid 2ft IES File 6X in the following arrangement.

\* Wave uses a specific IES file due to its specialized geometry.
